

- LDHH continues conducting drinking water system assessments.
- LDEQ continues to conduct phone and ground assessments of WWTP.
- EPA and LDEQ are participating in the Debris Task Force along with USACE, DOTD, and USDA.
- EPA and LDEQ are participating in the Critical Infrastructure Task Force along with USACE, DOTD, and USDA.
- LDEQ reports that at this time, Parish governments will take the lead with regard to collection, segregation and transportation of debris to approved landfills. LDEQ will work with the parishes to determine what assistance they may need with collection of debris and HHW.
- EPA continues to provide oversight of the responsible party-led cleanup at the Lard Oil spill which impacts a residential neighborhood in Denham Springs. LDHH has developed a site-specific Fact Sheet for the oil-impacted residents. The Responsible Party is developing an overall response plan, for EPA approval, that outlines the impacted area and the necessary steps to complete the cleanup.
